10.2 TASER

The Chairman referred the Board to papers issued in advance of the meeting and to a number of papers tabled at the meeting, regarding PSNI proposals to introduce TASER. He reminded Members of the presentation given to the Board's Human Rights and Professional Standards Committee by ACC Operational Support on 12 September 2007 and highlighted the legal advice received by the Board from the Crown Solicitor's Office, correspondence from a number of Non Governmental Organisations, including the Equality Commission, and a letter from the Chief Constable dated 4 October 2007. Members considered the content of the documents.

The Chairman welcomed one of the Board's Human Rights Advisors to the meeting. The Advisor referred Members to a paper included in the documentation which provided further human rights advice in relation to the PSNI plans to introduce TASER. The Advisor commented in detail on the content of the paper.

In a lengthy discussion that followed, discussion centred on:-

- the proposal by PSNI to carry out an Equality Impact Assessment (EQIA) in tandem with an operational pilot of TASER;
- PSNI requirements to comply with Article 2 of the European Convention of Human Rights and Section 75 of the Northern Ireland Act 1998 and health and safety legislation. It was considered that it would be helpful if the Board was to be given sight of the legal advice that PSNI had received in this regard;
- concern that, as ACPO is currently reconsidering its policy and guidance on the use of TASER, should the PSNI elect to formulate its own policy, guidance and training, the PSNI's pilot deployment could be outside the national framework for deployment and use of TASER;
- the extent of the operational remit of the Chief Constable and his statutory obligations to personnel under his command and a possible recourse to firearms if TASER is not deployed;
- the content of correspondence from NGOs;

- the threshold for the PSNI operational test for the use of TASER and the need to agree the legal test for the use of TASER before assessment of the 'capability gap'.

The Sinn Fein political Members on the Board recorded the opposition of their party to any introduction of TASER by PSNI.

Mrs Kelly recorded the opposition of the SDLP to any introduction of TASER by PSNI.

Following discussion, the Chairman put the motion detailed below. Following a show of hands and by a majority vote of 11 votes to 5, it was:-

RESOLVED:

That the Board notes the advice of its Human Rights Advisors, which has been issued to all Members.

That the position of the Board is outlined without prejudice:

- to further communications and discussions between the PSNI and the Equality Commission, between the PSNI and the Board and between the Board and the Equality Commission; and
- to the ultimate decision of the Board and the results of the EQIA.

The Board understands that the PSNI are currently carrying out an EQIA in accordance with advice provided by the Equality Commission. It is the view of the Board that there should be no deployment of TASER prior to the completion of the EQIA.

Further, the Board would expect that, consistent with undertakings the PSNI have already provided and in the time period required to complete the EQIA, that the Board's Human Rights Advisors are consulted and satisfied with respect to outstanding concerns, namely:

- agreement on the proper legal test for the use of TASER;
- identification of the 'capability gap' based on the agreed legal test;
- efficiency of the policy guidance and training regarding the use of TASER.

AGREED:

That a news release should be issued in respect of the Board's consideration of the PSNI proposal to introduce TASER.

The Chairman welcomed the Chief Constable and other PSNI representatives to the meeting.

The Chairman read the resolution that the Board passed earlier in the meeting (Item 10.2 refers) concerning the proposal by PSNI to carry out an Equality Impact Assessment in tandem with an operational pilot of TASER.

The Chief Constable sought clarification if the resolution was an instruction from the Board not to deploy TASER in an operational pilot or was an expression of the view of the Board. The Chairman confirmed that this was the view of the Board. The Chief Constable noted the Board's view. The Chief Constable confirmed that he considered that the deployment of TASER was an operational decision within his remit as the Chief Constable of the PSNI.

The Board received further information in relation to:-

- the police investigation into the murder of Mr Robert McCartney;

- the PSNI estates strategy relating to Ballynafeigh and Mountpottinger stations;
- the police investigation into an incident at an Orange Order hall in Newcastle.
